

Letter of Recommendation

To Whom it May Concern

Over the last 4 years my Eldest son who is 10 now has learned to swim and moved into more intense squad training at Leafe Elite Swim School. My youngest who is 7 has learned to swim and moved on very quickly to squad training at Leafe Elite Swim School.

Under the supervision of Gary Leafe and more recently Chris Leafe together taught my two boys to swim and swim well with their techniques.

Adam 10 has represented his school at regional and zone levels and was picked to swim at the NSW State Development Carnival. He enjoys swimming and is continuing to swim in carnivals and better his times.

Ryan 7 has just started swimming in carnivals and already picked up a couple of medals. He is continuing to improve quickly.

I contribute this to the excellent teaching methods of Leafe Elite Swim School and the interest and support that they show to all the children there.
